The Filipino Students' Association (FSA) at the University of Texas at San Antonio (UTSA) would like to extend a huge thank you for your interest in our organization for the 2011-2012 School Year! Through a variety of social and cultural events, FSA enhances awareness of the Filipino culture, fosters goodwill, and develops working relationships with students around Texas.

On the dates of March 16th –18th, 2012, UTSA FSA will be participating in the 22nd anniversary of the GoodPhil Games, which will be held at the University of Houston.

GoodPhil is an intercollegiate statewide competition among twelve schools presenting an array of cultural dances, modern dances, spirit showcase, and sports competition. This three-day event attracts thousands of participants each year from all across Texas, and has received national coverage. This upcoming competition is a great opportunity for our organization to represent San Antonio and to be recognized in a renowned competition amongst Texas universities.

Due to the challenges ahead of us, we are asking for your support. Although our competitive drive and spirits are high, expenses and funding to go to such an event will require your help. Per your consideration, we would like to emphasize the fact that you will be greatly appreciated as your contribution impacts all participants as we strive to make this event successful.

On behalf of UTSA FSA, we would like to thank you for your time and consideration. We hope to hear from you as we anticipate working together in the near future!

If you have any further questions or are interested in attending the GoodPhil Games, you may contact the President, the Treasurer, or myself:
